Regd.NO.4/17/01/09146/06

Non government Organization Registered under the societies Registration Act

Annual Report

For the financial year 2020-21

1.. Relief, Awareness and Prevention to the marginalized people affected by COVID 19 In view of the present scenario in the rural areas of Chhindwara district, the , Satyakam JanKalyan Samiti has launched a campaign – “Fight against Corona with digital sakhi”, in which rural women who are trained as digital sakhi, are running a campaign to fight against corona. in which following activities are being conducted at village level by using the what's app and internet technology-

1. Making the rural underprivileged community aware of the advisory and rules issued by the administration to avoid the spreading of corona virus.
2. Motivating the villagers to support the lock down.
3. Disseminating information related to the scheme and relief being run by the government for the poor farmers and laborers at the grassroots level.
4. Awareness of funds given by the government to Panchayats to help fight Corona and the community to demand facilities.

5. Collecting information about the problems being faced by rural Dalits, Adivasis, Muslims and other poor families at the ground level due to the lock down and make arrangements for their help.
6. Making handmade mask by digital sakhis and distribution to poor people. We have reached to 50 villages and 1000 population under this initiative.

2. Community Action to ensure continuity of health services during COVID-19 (Study supported by WHO)

A two months study is being conducted by SJKS under the guidance of Seher, A Unit of CHSJ, New Delhi with the support of WHO (World Health Organization) in 6 villages of Jamai and Parasia Block of Chhindwara District. Interview of Lactating women and data collection related with Immunization, Non communicable diseases and TB will be collected to understand the scenario of corona and impact of lockdown on health services and later after analysis advocacy at different level will be done.

2. Initiatives for Rapid response against violence and gender discrimination against women during Covid 19

During the Covid epidemic, various incidents of violence and discrimination at the level of home, society and institutions with girls and women are continuously coming out. In these circumstances, they need immediate help and connectivity with government services. Covid-19 Rapid Response Program has been started from 5 Villages of Chhindwara district under Ek Saath National Campaign by Satyakam Jan Kalyan Samiti. Under this program, District Gender Hub has been formed at the district level.

The objective of the Covid-19 Rapid Response Program is to provide immediate relief to girls and women affected by violence and discrimination and to connect them with government
